**Letter of Authorization**

As the building owner/operator of the building(s) indicated below, I authorize National Grid to provide CALM Energy, Inc. with electric/gas utility data, including interval data and account information for the following account numbers below:

|   | Building Address | Utility Account # |
|---|------------------|-------------------|
| 1 |                  |                   |
| 2 |                  |                   |
| 3 |                  |                   |
| 4 |                  |                   |
| 5 |                  |                   |
| 6 |                  |                   |
| 7 |                  |                   |
